

CHISELS AND BARS

MUMME
TOOLS

Crafted Tough Since 1936

- Accurately ground to the optimum cutting angle

Cold Chisels

- Used for general purpose cutting including mild steel, bolts and concrete

Chisel Bars

- Long bar for accessing hard to reach places
- Can be used with heavy hammers for masonry and demolition work

Plugging Chisel

- Used for cutting mortar joints
- Reverse tapered blade to help avoid jamming

Why Support Mumme Tools?

At Mumme Tools we are proud supporters of local Australian made products.

Our workshop, located in Lonsdale, South Australia is operated by skilled craftspeople that take pride in the quality products they make.

Our products are made tough, thanks to a passion for hand forging, pressing, grinding and packing here in Australia. All whilst using premium materials.

The quality speaks for itself with our range preferred by industry professionals.
