

FENCE/ SPUD BAR

HEX AND ROUND

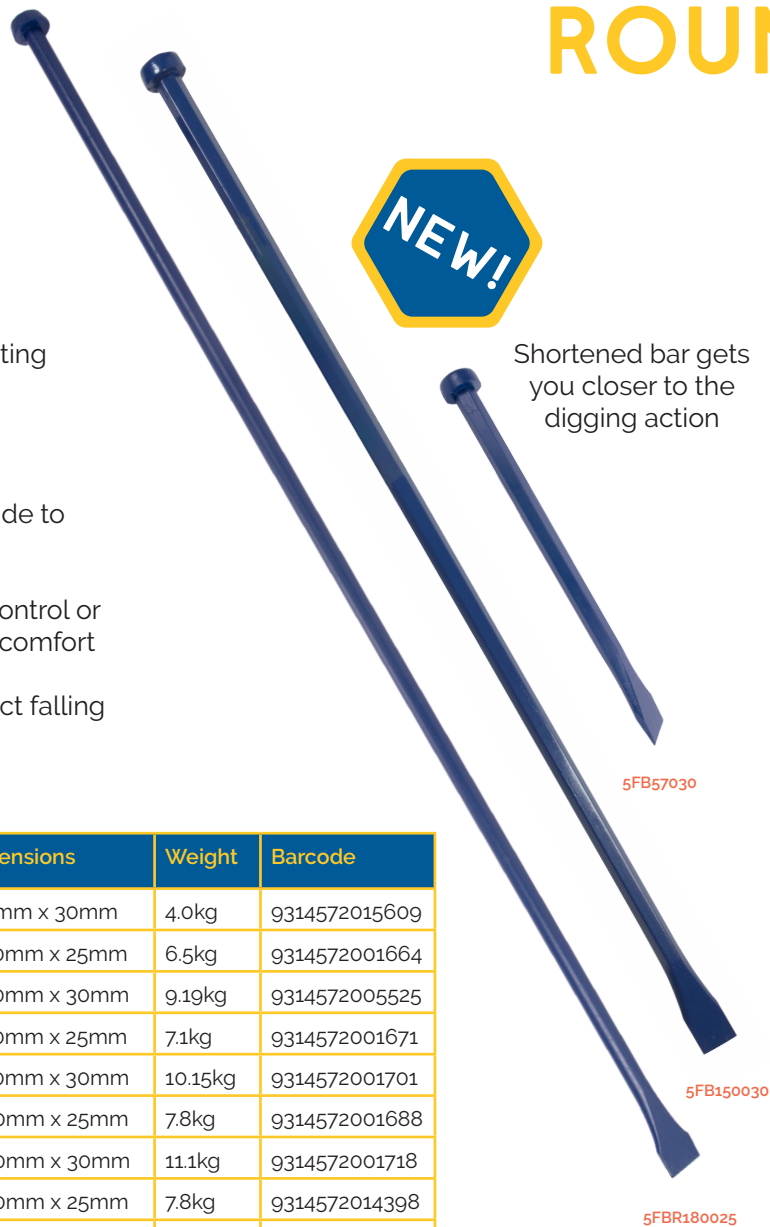

MUMME
— TOOLS —

Crafted Tough Since 1936

- Used for digging holes, breaking up clay and cutting through tree roots
- Finely ground and sharpened chisel end
- Fence bar knobs are forged, not welded, and made to optimum size for tamping and packing soil
- Available in either a hexagon profile for greater control or a round profile that enables better handling and comfort
- Welded steel safety collar to help prevent product falling through mesh or cracks *5FBC only*

Shortened bar gets you closer to the digging action

Why Support Mumme Tools?

At Mumme Tools we are proud supporters of local Australian made products.

Our workshop, located in Lonsdale, South Australia is operated by skilled craftspeople that take pride in the quality products they make.

Our products are made tough, thanks to a passion for hand forging, pressing, grinding and packing here in Australia. All whilst using premium materials.

The quality speaks for itself with our range preferred by industry professionals.
